PORCELAIN COSTANTINOPOLE 6 SET OF 2 DESSERT PLATES

\$135

### DESCRIPTION

This magnificent set of two dessert plates will be a precious addition to any home. The pieces are part of the Costantinopoli collection, comprising porcelain plates decorated with a combination of abstract details and vividly naturalistic elements. In this case, the forest-green of the background is enlivened with a series of figurines dressed in traditional Turkish fashion, while the center is a superb geometric decoration inspired by Byzantine architecture. These two unique pieces can be combined with the other 11 designs for a complete set to serve dessert after dinner.
