PORCELAIN COSTANTINOPOLE 7 SET OF 2 DESSERT PLATES

\$135

DESCRIPTION

Inspired by the lavish grandeur of the former capital of the Byzantine Empire, this set of two dessert plates is part of the Costantinopoli collection that combines abstract and naturalistic elements in its 12 distinct designs. This decoration boasts a navy blue background over which a central element creates an abstract decoration that combines details of the old Sultans' palaces and continues onto the lip with four elements that alternate with two splendid horses and two men dressed in traditional Turkish costumes.
