**PORCELAIN SET OF 4 UNDER-PLATES WITH GOLD TRIM**

\$530

## DESCRIPTION

This superb set of 4 under-plates is made entirely in porcelain and was designed and crafted in Italy, especially to be used with the other porcelain dish sets from the same designer. The fine porcelain and the satin-gold trim that adorns this piece will be a superb complement to any of these whimsically-decorated pieces. Luxurious and sophisticated, this underplate can be also used everyday, because its paint is non-toxic and dishwasher-safe.
