PORTAFIORI CENTERPIECE

\$7,190

DESCRIPTION

A stunning piece inspired by classical decor and interpreted with eclectic flair, this centerpiece will enliven any decor with its elegance and imposing size. The round, wooden base is splendidly carved with leaf-like motifs and spheres and supports a vertical element in brass. The bowl above is a giant shell that can display fresh fruits or flowers. This eye-catching piece will make a statement in any room in the house.
