PORTALI 16 VASE BY ANDREA BRANZI

\$1,340

DESCRIPTION

This elegant and playful vase is part of the Portali collection, of 18 designs by Andrea Branzi in which a white ceramic frame encapsulates a micro-garden consisting of one or more elements to display flower arrangements. In this case, a single horizontal shelf creates the perfect base for a small plant, like a bonsai, while a bell hangs from the top of the frame creating a striking counterpart to the natural element. This piece is part of a limited series of 50-vases, all signed and numbered.
