PORTARIVISTE TANNED LEATHER MAGAZINE HOLDER

\$795

DESCRIPTION

A true design classic, this refined magazine holder is made of regenerated tanned leather with a 24kt gold-plated stainless steel structure that will fit perfectly in a living room or in an office. Designed by Lapo Ciatti, this piece has an essential shape that is decidedly practical without compromising the style, with an attractive high-low rectangular frame where the leather sheet is inserted. The front is embellished with the gold finished brand logo. Placed next to a sofa or a desk, this magazine holder provides an effortlessly chic way to store and display reading materials.
