PORTMAN NIGHTSTAND

\$5,370

DESCRIPTION

Luxurious and romantic, this Baroque-styled nightstand was expertly crafted of solid wood with a striking lacquered mocha finish and a top in bird's eye maple with a glossy finish in clay color. The detailed scrolled hand carvings on the front of the four legs and the cast brass handles on the two drawers enhance the classic elegance of this piece. The two-toned color adds a refined appeal that will blend seamlessly both in a traditional and modern styled bedroom.
