## PRESTO WALL CLOCK

\$36,235

### DESCRIPTION

A superb object of functional decor, this wall clock combines old-fashioned allure and innovative materials. Its round base is covered with a transparent 12mm-thick crystal top. The structure in stainless steel rotates on 15 ball bearings with gears covered in 24k gold and needles in stainless steel. The winding mechanism has a seven + one days autonomy. The bar of the pendulum is in Invar, a material with minimum coefficient of thermic expansion. A stunning piece to decorate a modern interior, this clock comes with authenticity certification and instructions. The lens is in aluminum.
