PROCIDA ARCO SCREEN BY GIUSEPPE DI COSTANZO

\$2,760

DESCRIPTION

Named after the smallest of the one of the Flegrean Islands off the coast of Naples, this screen by Giuseppe Di Costanzo for Materiae Edizioni Napoli features a wooden structure recalling the arch, vault, and staircases of Procida's colorful and picturesque harbor-side homes. The arched panel is finished with Raw Earth, Multiterra, and TerraPlus by Matteo Brioni, a clay-based air-dried material with an ancient tradition. Here pictured in pomegranate, the piece is available in other colors upon request when placing the order. Made to order, this screen ships in 5-6 weeks.
