PROIEZIONI ROUND GREEN COFFEE TABLE BY ELISA OSSINO

\$15,080

## DESCRIPTION

An elegant dance of colors and forms, this exceptional coffee table will heighten the allure of any lounge decor. The pillar base is crafted of green Verde Alpi marble and supports a round top of Cipollino marble, whose white-green base and thick wavy green veins are enhanced by an inlaid, off-centered circle of Verde Alpi. Inspired by the geometric shapes created by the light reflecting on the surface of the marble, this table of the Proiezioni collection features a chromatic scale and sculptural silhouette the coexist in a striking design that will make a statement in any interior.
