PROSPETTIVA GOLD-BRONZE EARRINGS

\$190

DESCRIPTION

A mesmerizing three-dimensional effect is the standout decorative element of this pair of stunning earrings, crafted of gold-plated bronze and part of the Prospettiva collection. Inspired by the architectural gems of baroque master Francesco Borromini, particularly the perspectives of Palazzo Spada in Rome, this piece was made using the modern technology of 3D printing. Traditional materials and contemporary techniques merge in these elegant and timeless pieces that will make a statement on any occasion.
