PTYX 150 COPPER

\$2,495

DESCRIPTION

Ptyx is a family of three indoor occasional low tables featuring square, rectangular and triangular rounded edges tops. The MDF tabletops and the steel tubular legs have luxurious hand-made finishes. A selection of fine marble powders combined with various river sands or a mixture of metal powders is applied to the tabletops with a meticulous rebuilding technique bestowing a variety of unique and highly refined surface effects. The steel table legs can be galvanized in various colors.
