PUMA WALKING STICK

\$870

DESCRIPTION

This exclusive walking stick is a striking collectible item distinguished by a sterling silver handle (around 150 gr in weight) in the shape of a running puma that is exquisitely crafted using the lost-wax casting technique. The cane's structure features a shaft in solid beechwood with a black lacquer enriched with a glossy finish. The tip in authentic bovine horn enhances the exclusivity of this cane, which comes in an elegant gift box.
