PUZZLE 5S SEATING AREA BY ROBERTO FALLANI

\$8,340

DESCRIPTION

Roberto Fallani designed this series of seats that allow for a versatile and completely customizable experience. The black structure is in wood and its semi-spherical shape contains a total of four openings (one on the back and three on the front) that fit the foam round pillows upholstered in glossy PVC in different colors. The pillows can be put when needed and the final effect is of an ever-changing series of chairs that will add a modern touch to any living room.
