PYRAMID TABLE LAMP

\$2,640

DESCRIPTION

An elegant balance of textures and materials, this superbly crafted table lamp combines a sleek silhouette with luxurious details to add a radiant touch in mid-century modern interiors. Hand-forged of iron with an antique gold leaf finish, this lamp features an inverted pyramid on a square base embellished with an exquisite Bohemia crystal border. The cylindrical shade in crimson silk stands tall on the structure, providing aesthetic balance while channeling the light from the single LED bulb on the crystal. This piece will make a statement on an entryway and living room console.
