PYTHON DARK MIRROR

\$13,200

DESCRIPTION

Part of the Python collection, featuring striking mirrors whose elegant frames are upholstered in genuine python leather, this piece features a wooden structure and back. The mirror, with minimalist moldings at the edges, is enclosed in a stunning frame covered in a dark shade of python, whose one-of-a-kind patterns run alongside the perimeter of the piece, creating a unique texture with rich dark and light browns. A superb addition to both a classic and a contemporary decor, this piece will be eye-catching in any room in the house.
