## PYTHON GOLD MIRROR

\$13,200

### DESCRIPTION

Sumptuous and elegant, this stunning mirror boasts a genuine python leather upholstery over the wooden frame that was covered in striking gold. The effect is a unique piece of functional decor that will be a perfect complement to a colorful contemporary interior. The luminous effect of the gold is enhanced by the unique patterns of the python's texture. This object of functional decor will be an eye-catching addition to any room in the house. The mirror features simple moldings at the edges. The size of the piece can be customized upon requests - please ask the Concierge.
