QUADRA ARMCHAIR

\$4,510

DESCRIPTION

Aptly named after its square shape ("quadrato" in Italian), the structure of this spacious armchair is made of steel painted with black baked enamel and comprises a combination of thin and thick elements crossing to support the padded seat and backrest. The feet are marked with brass inserts while the upholstery is hand-applied using high-quality, easy-to-clean viscose, polyester, and linen. Exuding exceptional aesthetic value and functionality, this piece will be a striking addition to any modern interior.
