## QUADRO 2-DOOR DISPLAY CABINET #1

\$10,440

### DESCRIPTION

This precious display cabinet is crafted adapting sleek modern taste to exclusive finishes, for a result of rare sophistication. The texwood-veneered plywood frame rests on four luminous metal feet and features a wide storage unit divided by four shelves of smokey glass. Two rectangular front doors in smoked glass with texwood details reveal the cabinet's interior, which is illuminated by a subtle LED lighting system. Please inquire with the Concierge for available customization options.
