Didoni

QUARTZ PI DISK WITH ROSE QUARTZ BASE

\$2,040

DESCRIPTION

This astonishing Pi disk is inspired by the ancient Chinese tradition, representing eternity, the sun and sky, and courage and honor. The carved piece features a flat, clear quartz crystal disk with a circular hole in the center, a slender gold-plated stem support, and a splendid rough rose quartz crystal base. The crystals are quarried in Madagascar and Brazil, respectively, and are masterfully crafted and polished by Didoni's expert gem cutters. An exceptional decorative piece that will embellish any home or office space.
