QUATTROCANTI VERDE ALPI CENTERPIECE BY GABRIELE D'ANGELO

\$605

DESCRIPTION

A glorious, imposing design by Gabriele D'Angelo, this architectural sculpture is a refined centerpiece that will add a singular touch to a contemporary interior. Resting on a spectacular base in Green Imperial marble enhanced with stunning natural veining, it features four self-standing facades, which allow the piece to hold fruit to add a lively accent of color to a dining table. Available in other marble types, please ask the Concierge for options.
