## QUATTROGAMBE CHAIR BY JASPER MORRISON

\$449

### DESCRIPTION

Designed by Jasper Morrison, one of the most representative names of contemporary design in the world, this chair boasts a minimal silhouette that creates a refined effect of subtle elegance to complement a modern decor. The structure in maple with a seat in ply beechwood is airy and comfortable, an ideal accent around a dining table or by a desk. Its natural finish adds to the timeless allure of this piece.
