LIGHTING : SCONCES & WALL LAMPS

*Bronzetto*

**QUERCIA SCONCE**

\$530

## DESCRIPTION

Merging traditional lines with a vintage decorative touch, this wall sconce is a versatile illumination that will fit in any interior, from traditional to classic to modern. Handcrafted of brass with a satin finish, the round backplate features a short arm in the shape of an oak branch ("quercia" in Italian) rendered in fine details. The drum shade is made of jute fabric in a shade of beige that complements the brass hues of the structure. Showcased in a bedroom on a nightstand or in an entryway flanking a mirror, this sconce radiates a soft ambient light. Holds one E27 max 42W lightbulb. Contract and commercial certifications available upon request.
