RACCHIUSO SET OF 3 MODULAR CONTAINERS BY GUMDESIGN

\$4,465

DESCRIPTION

Aesthetic yet practical, this exquisite set is designed by Gumdesign and digitally processed by Alfaterna Marmi. The set features three separate storage pieces made of Trani stone, volcanic stone, and Emperador marble separated by flat, disc-shaped stoppers in Keep Life®. Infinite compositions can be created to be displayed as a single decorative sculptural object or separately as containers for potted plants or any desired objects.
