## RACCOLTE ACQUA MARINA VASE

\$770

### DESCRIPTION

Supported by a streamlined brass tripod, this precious vase handcrafted of aquamarine Murano glass is one of a limited series of 50 pieces. The willowy body houses a curved, phial-like element that lends the design a sculptural flair, but that can also be removed for a more traditional use. The glass elements are discontinued pieces from past collections by a historical Lombard brand that are reinterpreted to create new, intriguing designs.
