RACCOLTE AMETISTA VASE

\$840

DESCRIPTION

Stunning in its simplicity, this stylish vase brims with graceful allure. Fashioned of Murano glass with a soft-amethyst hue, the design consists of two separate elements, each borrowed from a discontinued collection commercialized by a historic Lombard brand, which are interlocked to create a sophisticated closed vessel or used separately as vases. The satin-finished brass elements, including the luminous tripod base, are meant to subtly light-up the glass. Also suitable for food use.
