SET OF 2 RACCONTI NATURA BOWLS #3

\$100

## DESCRIPTION

Depicting in vibrant tones of ocher, brown, and blue a winged animal together with other nature-inspired elements, this splendid ceramic bowl effortlessly conveys Dalila Chessa's artistic philosophy, focused on the relationship between nature and men. The crafting process starts with the engobing of the lathed red terracotta, obtaining a smooth surface. The first firing at 1000° precedes the glazing step with a final firing at 930°.
