**RADETSKY STUHL CHAIR BY MICHELE DE LUCCHI**

\$1,305

## DESCRIPTION

Designed by Michele de Lucchi in 2015, this striking chair is crafted using Viennese signature steam-bent beechwood with a seat in plywood. The clean lines of the front are adorned with a stunning back structure that combines vertical lines and gentle curves, creating a superb piece that will make a statement in a modern or eclectic living room, dining room, or study.
