RAILY GRAY WRITING DESK

\$6,385

DESCRIPTION

Equipped with a mirror, this writing desk stands out for its exclusive tech-inspired tailored detailing, offering a pleasant experience even when just updating weekly schedules or using one's laptop. The minimalist, cylindrical metal frame incorporates an LED light with sensor switching technology, for efficient illumination of the wooden top covered in gray leather and equipped with a discreet storage compartment for stationery essentials. Please consult the Concierge for customization options.
