## RAINBOW 2-LIGHT SCONCE

\$880

### DESCRIPTION

A distinctive accent in a modern interior, this wall lamp of the Rainbow Collection will add a stylish focal point in an entryway, bedroom, or living room. Mounted on the wall with a round plate with a polished nickel finish, two arms extend in a slight upward curve to hold a light- and royal-blue crystal bobèche. The intersecting lines on the glass add a captivating, decorative touch, reflecting the light from the candle-style source in a diffused illumination. The light bulb is E14 max 42W.
