## RAISER FOOTED TRAY

\$575

### DESCRIPTION

Form meets function and quality in this stunning footed tray crafted of a circular Carrara marble slab. This refined piece is elevated upon a brass leg raised on a geometric base and a tiered fluted support with a smooth and polished finish. Sculptural and elegant, this tray can be used on a table to display and serve food or as a decorative accessory to hold flower arrangements on consoles and bookcases. The marble is treated with beeswax to protect and enhance its polished finish.
