MURANO GLASS FROG - ORO BALLOTTON

\$430

DESCRIPTION

Part of a collection of decorative frogs, this precious statuette will add a playful and sophisticated accent to a modern or contemporary decor. The curves of the animal are crafted in Murano crystal using the ballotton technique and have gold elements inside that glow with a warm hue, creating unique and precious effects with the light reflecting on it. A striking sculpture, this piece can be combined with others from the same series for a dynamic effect.
