LIGHTING : SCONCES & WALL LAMPS

Officina Ciani

RASPO SCONCE

\$4,510

DESCRIPTION

Delicate grape leaves dance on the six curved branches of this elegant sconce that will enrich both a classic and a modern interior. Entirely crafted of forged iron, the leaves showcase exquisite craftsmanship in their silhouette and detailed sense of movement that infuse with this delicate design, while also screening the light coming from the six LED G9 bulbs housed underneath. Showcased flanking a minimalist mirror or adding an accent on a classic wall, this piece will not go unnoticed.
