RAVENNA LARGE TALL SQUARE BASKET

\$1,945

DESCRIPTION

This superb basket is fashioned of woven strips of water-resistant saddle leather dyed with vegetable pigments in a rich light-brown shade, a splendid addition to a modern or rustic-chic interior. Versatile and elegant, this basket will store and display a variety of objects, easily suiting any room in the house. The intense color of the exterior is complemented by a lighter tone for the interior and tonal stitching. Two cylindrical handles in brushed bronze complete this stunning piece part of the Ravenna Collection.
