RAVENNA SMALL SHORT ROUND BASKET

\$1,230

DESCRIPTION

Timeless and sophisticated, this round basket will be a precious addition to a modern study, living room, or powder room. Its versatile functionality merges with striking allure, bestowed by the complex texture of its surface and the delicate beige color that will suit many different decors. The structure is made of water-resistant stripes of saddle leather with two brushed bronze cylinders as handles. This stunning piece can be combined with others in the same Ravenna Collection for a cohesive look.
