RAVENNA SMALL TALL ROUND BASKET

\$1,435

DESCRIPTION

A striking silhouette, elegant texture, and vibrant color are the defining qualities of this elegant round basket with tall sides. Entirely crafted using traditional methods, this piece was made of braided water-resistant saddle leather that is dyed using vegetable pigments in a vibrant orange hue. Equipped with brushed bronze cylindrical handles, this basket will be versatile and eye-catching in any room in the house. It is part of the Ravenna Collection and can be combined with the other pieces in different colors and sizes from the same series for a dynamic display.
