RAY EARRINGS

\$190

DESCRIPTION

Versatile and elegant, this sophisticated set of earrings is from a collection of pieces dedicated to light and was inspired by three-dimensional, minimalist works of Sol LeWitt. Fashioned of 24kt gold-plated silver, the elongated, triangular shape features delicate inlays that evoke the rays of the sun and add subtle reflections to the surface. This set will be a timeless addition to any wardrobe, illuminating the face of the woman who wears them with understated elegance.
