RE-EDITION 338 PENDANT LAMP BY CARLO NASON

\$3,530

DESCRIPTION

This superb Murano glass pendant lamp combines impressive aesthetic appeal and precious details to enhance any interior with its diffuse light and captivating silhouette. Marked by precise geometric lines, the diffuser is composed of four concentric domes of blown "pulegoso" glass, whose semi-opaque surface is characterized by tiny air bubbles. The wire cable and light source (E27 max 150W) are contained in a brushed copper cylinder, which is also available in polished bronze on request to the Concierge.
