REA SWIVEL ARMCHAIR

\$13,255

DESCRIPTION

A stunning complement to the Rea Sofa, this superb swivel armchair is a magnificent piece of functional decor that will imbue a modern home with sophistication and unique elegance. The wooden round base with a satin bronzed finish effect supports a plush structure in multi-density polyurethane foam, goose down, and memory foam padding that is upholstered with a Flash fabric with enveloping armrests and curved back boasting a vertical tufting. The pillow is covered in Roma velvet in a delicate sage hue. The upholsteries are customizable - please ask the Concierge.
