REBECCA GOLD MIRROR

\$1,610

DESCRIPTION

This striking mirror will add sophistication and timeless allure to any home. It can be also used to display a painting or a print (in this case a 4 cm mount is needed). Its rectangular shape is made in reclaimed wood and hand painted with black lacquer, while four charming buttons mark the corners and are finished with pure gold leaf. Crafted by hand with traditional methods and creating a silhouette that was used since the 16th century, this piece will be an eye-catching, one-of-a-kind object to be passed on for generations.
