RECTANGULAR CART WITH MIRROR

\$1,050

DESCRIPTION

Four striking metal legs, adorned with a twisting pattern that gives them a traditional allure and coated in precious 24k gold, support a two-layered structure in tempered glass in this elegant and versatile cart, whose dimensions make it ideal for any dining or living room. The two trays are in tempered glass and tempered mirror, while the other metal elements making up the handles and adorning the shelves are also coated in 24k gold, for a cohesive look.
