RECTANGULAR CART

\$1,190

DESCRIPTION

A splendid addition to a seated dinner or cocktail party, this large cart can also be used to store and display food or beverage in an elegant dining room. Supported by four legs on wheels, the cart features three layers, of which the bottom one is in wood with a walnut finish, and the two top ones are in tempered glass. The metal legs and handles have a precious 24k gold plate and the handle, which also boasts a traditionally inspired decoration, feature inserts in wood with the same finish as the bottom tray.
