RECTANGULAR STEEL/STONEWARE TABLE

\$17,000

DESCRIPTION

This stately dining table is sure to make a superb statement into any contemporary decor, residential or professional, alike. The rectangular top with smoothed corners is fashioned of a 6mm-thick stoneware slab embellished with a precious design imitating the aesthetic of Invisible Blue marble. The two sculpted legs in satin steel - solid and wireframe, respectively - are linked by a matching strut and anchored to the top with a steel plate. Please ask the Concierge for the concealed cable duct.
