## RECTANGULAR WOOD DINING TABLE

\$17,725

### DESCRIPTION

Unique in its simplicity, this dining table disguises a masterful construction under its streamlined rectangular shape. A subtle balance of geometries defines the veneered top and legs with a warm, dark finish and metal edges that flaunt a straight side on the outside and rounded on the inside. This table perfectly combines with a variety of chairs in both modern and classic decors to confer sophistication and personality to any dining room.
