## RED 4-DOOR SIDEBOARD

\$19,035

### DESCRIPTION

A breathtaking expression of opulent design with a touch of Art Deco inspiration, this sideboard will imbue an interior decor with prized and unparalleled sophistication. Fashioned of MDF, the structure is covered with parchment distinguished by a fascinatingly shaded red hue which elegantly harmonizes with the polished gold finish of the brass handles and details. Comprised of four doors, it rests on black-lacquered beechwood feet. Ideally paired with the two-door sideboard from the collection.
