Carlo Moretti

RED DECANTER

\$320

DESCRIPTION

This versatile and sophisticated object of functional decor is made of mouth-blown Murano crystal and decorated by hand. Combining traditional craftsmanship, modern design, and vibrant colors, this can be a refined decanter or a colorful vase to display anywhere in a contemporary interior. The sleek silhouette features sinuous and elongated lines with a flared mouth and a series of striking red dots enlivening its body. Each piece is signed and dated by its maker.
