RED LIPSTICK BAR CABINET BY CATALANO/GEROSA

\$16,695

DESCRIPTION

Pure, essential forms and a striking red lacquered glossy finish define this bar cabinet with a curved silhouette that evokes the shape of a lipstick container. Made of wood and divided in two identical sections, the interior is accessorized with extra-clear glass shelves and LED lighting to elegantly display and store bottles and barware necessities. Enhanced by sophisticated details, such as a convenient extendable tray inside the top of the lower unit and the two satin-finished, cylindrical brass handles, this design was introduced at the 2018 edition of Salone del Mobile.
