RED RECTANGULAR FLORENTINE BOX

\$90

DESCRIPTION

Function meets art in this exceptional handmade box crafted of repurposed wood using traditional Florentine techniques. The rectangular silhouette is hand painted in vibrant red and white acrylic tempera, the marbled texture "encausto veneziano" style achieved by applying color with a sponge. The red bottom is topped with a white lid boasting a ten-pointed star motif with red accents and framed by a green circle. This box is perfect for storing, jewelry keepsakes, or stationary anywhere in the home. Painted with natural pigments and finished with a protective beeswax coating.
