RED STRIPED CHAIR WITH ARMRESTS

\$6,885

DESCRIPTION

Romantic flair and Baroque-inspired lavishness are the distinctive features of this superb chair with armrests. Entirely handcrafted, this piece is comfortable and striking and can be an accent piece in a classic bedroom, study, or entryway, or can be combined with the Contemporary Red Striped Chair around a dining room table. Its solid wood structure is inspired by Louis XVI style and comprises ring-turned legs and curled armrests with a stunning oval backrest. The padded surfaces are upholstered with a red and ivory striped fabric adorned with a motif of branches of roses.
