REED COAT STAND IN BLACK

\$510

DESCRIPTION

This sophisticated coat stand is made of a circular base from which three slender posts extend, each topped with a large cylindrical piece to keep the coats organized while fitting perfectly into any space. Made entirely of ash with black matte finish, its design is inspired by the natural flexibility of the wood and crafted using traditional manual wood bending processes for a result that is dynamic and understated. An extraordinary piece of functional decor, it is available in various finishes and colors. Please ask the concierge for details.
